

Don't use drugs alone

NEVER USE ALONE

www.neverusealone.com

is a free hotline drug users can call if they're going to use drugs alone. An operator will stay on the line with you and monitor your safety. If you become unresponsive, the operator will call 9-1-1 on your behalf.

Call: 1-800-484-3731

No judgement, no preaching, just love & support.

Suspect an Overdose? Always Call 9-1-1

The Good Samaritan Law in CT protects the **person who calls 9-1-1 and the person overdosing** from civil liability, criminal prosecution & arrest related to possession of drugs/paraphernalia found by first responders on scene. However, the law **does not protect** someone from other charges or pre-existing warrants.
